## PENNY FRINGE FOR TOWN HALL STEPS

Portsmouth, N. H., has a great scheme for helping the unemployed. The town hall has nine stone steps and anybody wanting to help, lays a penny on the edge of a step. The picture shows the steps with their fringe of pennies.

Discrimination.  
"Mammy," said Pickaninny Jim, "I wants you to do me a favor."  
"Whut kind of a favor?"  
"I wants you to shet youself out o' sight same as me on Christmas eve."  
"Whuffoh?"  
"Well, I ain't gineter say dat Santy draws no color line. But las' Christmas I looked de neighborhood over an' I kain't help s'p'cin' dat mebbe I'd stan' a better chance foh presents if we didn't give him no chance to notice dat dis ain't a white folks' residence."

In Norway they have "housewifery schools," while in America we call 'em schools of domestic science or of home economics. It isn't the name but what is taught that counts.
